Club News - March 2019

General Membership Meeting

The next General Membership meeting is scheduled for Wednesday, March 6 at 7:00pm at the Tawas Clubhouse.

Participation at club meetings is strongly encouraged. Please make a note of the day and time. Your input is valuable to the decision making of the club.

Update at the Tawas Range

We had a very trying time last summer coming and going at the Tawas Range. The road construction on U.S. 23 made access very difficult at times and had lead to reduced public shooting and participation during Sight-In-Days.

One benefit that came of this was the acquisition of approximately 3000 cubic yards of fill dirt from the road construction general contractor. As the project winded down they had to dispose of this dirt and will prove very beneficial to the Club. We are anticipating improving the 50 yard and 100 yard shooting impact berms. These will be widened and restored to their optimum height as settling and erosion occurs over time. The new pistol shooting berm installed last summer is a prime example of this settling as it will need attention as well before this range can be safely utilized this summer.

What's on your mind?

For those of you that have access to the internet and the club website, there is a "Contact Us" button in the members section. Please take some time and let us know how the club is doing and if there is anything you would like to see done to improve any of the ranges. For those without email or internet, please drop us a card in the mail at PO Box 47, East Tawas MI 48730.

Summer Public Shooting

We are all looking forward to springtime when we once again get outside and enjoy our favorite pastimes. Please remember that club member volunteers are always appreciated to help make our programs a success.

Club Membership Renewal

Please remember that membership dues for the club are coming due. The membership year begins June 1 and renewal notices will be going out shortly. Don't let your membership lapse and renew early.

Wurtsmith Shotgun Activities

.The Iosco Sportemn's Club features one of the finest shotgun shooting ranges in the State of Michigan featuring Trap, Skeet and 5-Stand. Please spread the word to any friends that participate in shotgun shooting and have them come by and spend some time on the range.

Spring Workbee

Watch the club calendar for our annual Spring Workbee to be scheduled. Come on out and give us a hand getting the ranges ready for another season.

CPL Class Schedule

This is the schedule for this years CPL classes.

April 6 May 18 July 13 Aug 17 Sep 21 Oct 26

Classes begin at 8 am at the Tawas clubhouse. Please contact Bob Mills at 989-724-8307 to register and for required information. Remember, having a CPL makes transporting your firearms to and from the range much simpler and isn't just for concealed carry only.

Club Shooting Events

The club calendar is filling up with this years shooting events. Don't be reluctant to attend one of our matches as we are very helpful to new participants. Shooting in a match is one of the best ways to improve your shooting skills and there is much to be learned from the other participants. Most events will accommodate a shooter with a factory rifle. Check out the club calendar or schedule and stop on by to observe or bring along your rifle, pistol or shotgun as appropriate and be prepared to have a great time.
